 - It's a website that provides rules, handouts, maps, issues permits, runs any lotteries, allows you to check-in and out of areas, shows area availability, and collects your harvest reports.
 - There will be **no more lines standing**, driving around, or filling out pieces of paper. It's all online!
3. Why do I have to buy a CA License from the main MCX still?
 - iSportsman only offers fishing, hunting, and archery permits. The MCX is used for fee collections and record management.

 - Deer and waterfowl hunters can enter a lottery to make an area reservation a day in advance.
 - This ensures the proper amount of people are hunting these two impacted activities.

- Without winning or entering the lottery, hunters can check in after 0530 into available areas on the day of their hunt.

 - Let the Game Warden's know that you are headed out of the field and en route to the Game Check Station.
10. Can I enter the lottery as a group?
